

Still

- Use freshly squeezed lemon juice
- You can use sugar instead of simple syrup (about half volume)
- Feel free to experiment with different sour juices

Variations

- Gold Rush
 - Honey instead of simple syrup
- New York
 - add 1/2 oz red wine gently poured over a spoon

Whiskey Sour

Ingredients

- 2 oz Bourbon/Whiskey
- 1 oz Lemon Juice
- 3/4 oz Simple Syrup
- 1 Egg-White (optional)

Whiskey or Bourbon

- If using Bourbon instead of Whiskey, expect a heavier and sweeter taste
- Whiskey instead of Bourbon, lighter and less sweet

Other Things You Learned How to Make

- Gin Sour
 - Margarita
 - Daiquiri
- try making these
- make a Whiskey Sour
- If you learned how to

Gear You Need

- Shaker
- Jigger (A shot glass is about 3/2 oz)
- Fine Strainer

Why double Strain

- Removes fine ice shards that would dilute the taste

How To Prepare

- Add all ingredients to shaker
- Dry shake for about 30s
- Add ice and then shake again for about 20s
- Double strain into a glass over ice
